

# Bridge

**SOUTH PACIFIC SEEDS**  
SINCE 1986

## Specifications

### Crop

Broccoli

### Hybrid

Yes

### Features

- Suited to cooler climates
- For winter/shoulder season production
- Fine bead
- Heavy tight heads
- Good tolerance to purpling and spring blindness problems

## Specifications

### Description:

BRIDGE is an excellent variety for winter and spring harvest and features a fine bead with heavy, tight heads. BRIDGE has shown better tolerance to purpling under difficult winter conditions and has also shown good tolerance to blindness during spring.

*For a full definition of the disease terms, High Resistance and Intermediate Resistance refer to the product section on our website.*

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
