## Specifications

### Description:

EZME is a dark red rosette style Cos x Butterhead with a medium head size suitable for hand harvest. EZME has been a grower favourite in trials to date and has shown good tolerance to tipburn and bolting. With a glossy red-veined leaf, red-green internal and a medium crisp texture, EZME is a great addition to salad mixes, adding colour, texture and volume. EZME has tolerance to Downy Mildew (Bl) and Currant Lettuce Aphid (Nr).
