Specifications

Crop
Herb

Market Segment
Basil

Features

- Medium size pot basil
- Strong compact dark green leaves
- Good tipburn tolerance
- Glossy neat bunches
- Suitable for hydroponics

Specifications

Description:

MARIAN is a medium size leaf basil with a very glossy dark green leaf and good tipburn tolerance. The medium leaf means the bunches are less prone to sagging in post-harvest presentation. MARIAN is an outstanding basil variety.

For a full definition of the disease terms, High Resistance and Intermediate Resistance refer to the product section on our website.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location. As a consequence South Pacific Seeds cannot accept any liability as to the accuracy of this information. JULY 2016. ACN 002 887 256
