

Zaineh

Specifications

Crop

Cucumber

Market Segment

Greenhouse Lebanese

Disease Resistance

High Resistance: Ccu

Intermediate Resistance: CMV, CVYV, Px

Hybrid

Yes

Features

- Semi-multi type in Panama class
- Good quality uniform fruit
- Dark green colour
- Mid ribbed texture
- Suit late spring/summer production

Specifications

Description:

ZAINEH is a semi-multi type with a strong, generative but open plant habit for ease of harvest. ZAINEH offers excellent fruit quality with progressive setting, and produces moderately ribbed, glossy, dark green fruit, averaging 16-18cm in length. ZAINEH is suggested for late spring/summer production alongside Panama.

For a full definition of the disease terms, High Resistance and Intermediate Resistance refer to the product section on our website.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
