

GREAT NEWS!

SOUTH PACIFIC SEEDS
SINCE 1986

The long awaited return of Australia's Number 1 Chilli variety is here!

CAYSAN has been the market leader for well over 20 years. It is the "work horse" of the chilli world due to its consistency in its performance, its great uniformity, high fruit numbers, excellent shelf life and smooth walls. These features make it the most sort after Cayenne chilli on the market.

Contact your reseller or nursery to secure your **CAYSAN** seed requirements for the next 12 months.
