

# Asia

## Crop

Cabbage

## Market Segment

Drumhead

## Hybrid

Yes

## Features

- Very uniform outer frame & head size
- Flat globe shape
- Low core, slow bolting
- Sweet flavour
- Suit processing or fresh market use

## Description

ASIA is a medium size cabbage (2-3 kg class) with an attractive green colour and sweet flavour. ASIA offers a very uniform head size with a good outer frame and flat globe shape. The low core enables the variety to be used in bolting periods with some success. ASIA is suitable for processing or fresh market use. Approx. 120 days from transplant in winter.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
