

Asia

SOUTH PACIFIC SEEDS
SINCE 1986

Crop

Cabbage

Market Segment

Drumhead

Hybrid

Yes

Features

- Very uniform outer frame & head size
- Flat globe shape
- Low core, slow bolting
- Sweet flavour
- Suit processing or fresh market use

Description

ASIA is a medium size cabbage (2-3 kg class) with an attractive green colour and sweet flavour. ASIA offers a very uniform head size with a good outer frame and flat globe shape. The low core enables the variety to be used in bolting periods with some success. ASIA is suitable for processing or fresh market use. Approx. 120 days from transplant in winter.

For a full definition of the disease terms, High Resistance and Intermediate Resistance refer to the product section on our website.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
