Yes

Features

- Compact and good weight
- Excellent uniformity
- Fine bead with firm dome heads
- Easy to trim
- Firm holding
- Good tolerance to Hollow Stem

Description

FUSION is a compact, medium, dome-shaped broccoli with excellent uniformity, a fine bead and good weight of approx. 320g. It is an attractive dark blue-green colour with mid elevated heads and little or no side shoots for easy harvesting. FUSION is a firm holding, mid to late maturing variety and has shown very good tolerance to Hollow Stem and White Rust in plantings to date.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
