

# Joi Choi

## Crop

Pak Choy

## Market Segment

White Stem

## Hybrid

Yes

## Features

- White stem bok choy
- Very uniform
- Slow bolting
- Suitable for year-round production in mild climates

## Description

JOI CHOI is a hybrid white-stemmed bok choy with an attractive dark green, broad leaf and erect growth habit. JOI CHOI is very uniform and slow bolting in comparison to other bok choy varieties. It is suitable for production all-year round in mild climates.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
