

# Joker

## Crop

Pumpkin

## Market Segment

Kent

## Hybrid

No

## Features

- Early-mid maturity
- Excellent fruit quality
- Deeper fruit shape
- High yield potential
- Competitive proven performer

## Description

An improved open pollinated Kent type, JOKER compliments the Kens Special open pollinated and hybrid strains by offering maturity timing between these two lines. JOKER offers good yields of slightly deeper shaped fruit than other Kens Special types whilst retaining the excellent fruit quality that made Kens Special a household name.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
