SOUTH PACIFIC SEEDS
SINCE 1986

Crop

Eggplant

Market Segment

Lebanese

Hybrid

Yes

Features

- High quality smooth straight fruit
- Glossy dark skin with green calyx
- Excellent uniformity and firmness
- Early to mature with upright plant habit

Description

This high yielding, high quality mini Lebanese eggplant has become the industry standard for its class. Approx. 15-18cm x 3-4cm in size, this outstanding variety produces smooth straight elongated fruit with glossy purple/black skin and spineless green calyx. The medium-tall plant has an extremely strong upright habit compared to previous standards making for much easier harvest. MIDNIGHT offers a top-quality product with excellent uniformity and firmness.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
