

Odyssey

Crop

Spinach

Market Segment

Bunching

Hybrid

Yes

Disease Resistance

High Resistance: Pe: 1-17

Features

- Vigorous hybrid bunching spinach
- Asian style slightly pointed oval leaf shape
- Uniform, medium-dark green leaf
- Cool season/cool shoulder production

Description

ODYSSEY is a vigorous hybrid bunching spinach with an Asian style, slightly pointed oval leaf shape. ODYSSEY is early maturing with an erect growth habit and good bolting tolerance for cool season/cool shoulder production. ODYSSEY produces a good yield of uniform, medium-dark green leaves, and has resistance to Downy Mildew (Pe).

For a full definition of the disease terms, High Resistance and Intermediate Resistance refer to the product section on our website.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location. As a consequence South Pacific Seeds cannot accept any liability as to the accuracy of this information. FEBRUARY 2024. ACN 002 887 256
