

Orient Express

Crop

Spinach

Market Segment

Bunching

Hybrid

Yes

Disease Resistance

High Resistance: Pe:1-11,15 (12,14 IR)

Features

- Vigorous and upright
- Dark green, pointed flat leaf
- Very good uniformity
- Early maturing for cool weather

Description

ORIENT EXPRESS is a vigorous growing spinach for the bunching market, with an attractive dark green, flat and pointed leaf shape. ORIENT EXPRESS has an erect growth habit, medium leaf thickness and is best suited to cool weather conditions. It has some resistance to Downy Mildew (Pe).

For a full definition of the disease terms, High Resistance and Intermediate Resistance refer to the product section on our website.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
