

Pinnacle

Crop

Onion

Market Segment

Bunching

Hybrid

Yes

Features

- Blue-green colour with firm, upright tops
- Good holding and tolerance to tip browning
- Year-round production

Description

PINNACLE is a hybrid variety which can be grown for year-round production. The vigour of PINNACLE is outstanding, producing very uniform, blue-green, firm, and upright tops. PINNACLE has shown to have good holding in plantings to date, with good tolerance to tip browning.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
