Market Segment

Babyleaf Lettuce - Multileaf

Hybrid

No

Disease Resistance

High Resistance: Bl:16-29,31-35

Features

- Vibrant red Coral with tipburn tolerance
- Year-round production
- Thick, crisp and glossy leaf
- Excellent 3D shape with good shelf life

Description

WINES is a vibrant deep red Coral with high gloss, suitable for year-round babyleaf production. The leaf has a fine attachment with excellent texture and volume, offering good shelf life and high yield. WINES has shown strong vigour, good uniformity and tipburn tolerance in plantings to date. WINES has resistance to Downy Mildew (Bl).

For a full definition of the disease terms, High Resistance and Intermediate Resistance refer to the product section on our website.

The information provided is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions including cultural/management practices, climate, soil type and geographic location.
