Boris

BORIS is a versatile and self-covering cauliflower with 11-12 weeks maturity for spring, mild summer and autumn harvest. BORIS has a medium to large frame offering good curd cover, with dome-shaped heads and excellent curd colour and quality.

Kamis

KAMIS is a strong uniform variety with a medium to tall upright frame, excellent leaf cover and a smooth, white, heavy curd. Suitable for winter in the Darling Downs and Granite Belt region of Qld, southern states and the cooler regions of WA.

Adventure

ADVENTURE is a versatile variety in the Discovery segment with a 14-16 week maturity. The strong upright frame produces well covered smooth white curds. ADVENTURE is recommended for planting alongside Discovery or Escale for Qld and WA production areas.
