APPROVED SUPPLIER NOTICE

To Whom It May Concern:

In response to our customers requesting details for the Approved Supplier status as part of their Quality Assurance program, South Pacific Seeds wished to confirm it is accredited by the peak industry body, the Australian Seed Federation for the Code of Practice for Seed Labelling and Marketing (attached is a copy for your reference).

Further, we confirm the following:

- Seed containers are sealed and free of physical and known allergen contamination
- The seed varieties supplied are in accordance with the label on the seed container
- When visiting your business we will abide by your site security requirements
- All seed supplied by SPS does not contain any Genetically Modified product
